Donations

Camp Grace is a non-profit organization focused on the teaching of God's Word in support of the local church. As part of our ministry to the churches and those people who attend we strive to keep camper fees low. This means that all repair, renovation, and building projects are dependant upon donations received from people like you. If you are interested in supporting the camp with a monthly or one-time donation please contact your local supporting church or one of the board members listed on the website.

But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be glory both now and forever! Amen.

Sam Lavender
Jr. Weeks

Sam received a desire to preach in Jr. High school, which God later directed, more specifically, into the desire to become an evangelist. In order to prepare for his future ministry he attended Bob Jones University and graduated with a B.A in Bible in May 2003. Since that time he has been given many opportunities to preach to many different age groups in the U.S. and many other parts of the world. When he is not traveling he and his wife, Hilary, continue to serve in their home church in Colorado.

Camp Grace maintains a Christian code for appropriate dress and conduct. The camp reserves the right to ask anyone to change into appropriate clothing. Any clothing that comes to the knee may be worn for activities. Everyone is expected to participate in all services and activities or they may be asked to leave the grounds.

The purpose of Camp Grace is to provide spiritual, social, moral, and physical growth to the youth of our churches. This is accomplished, first of all, by the grace God has given to us through Christ and through the Spirit's power. Secondly, by providing a 'mountain top' experience, away from the influences of this world.

Using the Scriptures, the youth are encouraged to live their life more Christ-like while being engaged in many activities to include:

- Preaching
- Hiking
- Swimming
- Competition
- Team building
- Scripture memory
- Sports
